

Experienced Certified General Appraiser

Well-established commercial appraisal firm in the Hudson Valley is looking to hire a certified general appraiser. Candidate must have experienced and able to handle all types of commercial assignments.

Candidates must be able to produce at a high level and manage multiple assignments, be detail oriented, have excellent communication and writing skills and the ability to work independently. Must be Word and Excel proficient and understand the research process. We are looking for a highly motivated self-starter who can thrive in a production-oriented, fast-paced environment while valuing client satisfaction and a superior work product as part of a larger team goal.

The company offers remote-office capability, a support staff with extensive resources and compensation package that includes a fee split, employee retirement plan and employer match after one-year of employment. Qualified applicants can email a resume to Wanda@rphubb.com

All inquiries kept confidential.
